SEWELL RUNS FAST 51-2 FURLONGS AT OPENING OF FORT ERIE MEETING.

Attendance Greatest in History of the Track Rain Which Preceded Racing Just What Was Required to Put Track in Condition.

Required to Put Track in Condition.

Buffalo, N. Y., August 26.—Ideal conditions prevailed this afterpoon for the opening of Fort Ecic's fall term of racing. The solvendid card that had been provided was largely responsible for a big attendance, probably the largest ever seen here. During the night a heavy rain fell, which proved beneficial to the course, as the automobile and trotting races held over it since the close of the summer meeting had left it as hard as cement. The drenching the track received made it a trifle slow at the outset, but it improved steadily and became fast before the afternoon was over.

In the fifth race Al Muller, Dr. Waldo Briggs and Sewell took turns at foreing a fast pace. The last named finished a handy winner and incidentally established a new track and Canadian record of 1.05½ for fiv and one-shalf furforms.

Small but set to the stretch of the stretch she contests, and the favorite. Tom Hayward, in third place. The trio furnished spirited contention during the first three-quarters, but at the stretch turn the Carson filly drew out to win commandingly, Meadow lasting just long enough to down Tom Hayward. Further demonstrated his superiority over the juveniles in this section by a cantering victory in the third race. YOUNG HORSES HOLDING THEIR OWN.

King James, Brilliant Four-Year-Old, Menacing Fac tor in This Year's Racing, However.

As in more prosperous times, the great prizes of the American turf are this year falling to the younger racers. For years the leading two-year-old winner and the leading three-year-old winner have been able to distance the most fortunate representative of the older division of racers. So fat this year Joe Madden, a three-year-old, holds the place of honor among American racers, but his lead 5 not so pronounced that it may not be wrested from him ere the year ends. For the first time since 1903, a four-year-old has succeeded in splitting the two younger divisions in earnings. The horse that has achieved this distinction is King James, a racer of unusual quality. The fact that there is no two-year-old of outstanding brilliancy in training has made it easier for King James to accomplish his feat than would have been the case had there been a Colin, a Sir Martin, an Artitu or a Hamburg Bele to compete with. Up to date the records of the most successful horses of various ages this year are Four-year-olds and over, King James. \$55.185. Three-year-olds, Joe Madden. 49.905. WHITNEY AND BELMONT HORSES UNPLACED

London. Eng., August 26.—The Middlethorpe Selling Handicap of 150 sovereigns, for three-year-olds and upward, distance six furlongs, was run at York today and was won by Saucy Queen. Athlete was second and Cinder Path third. Among the eleven starters was August Belmont's Laconian. The Gimerack Stakes of five sovereigns each, with 1,000 sovereigns added, for two-year-olds, distance six furlongs, was won by Lilly Rose. Salamanca was second and War Lord third. H. P. Whitney's Artless was among the ten starters, but did not get a place.

WILL CONTINUE TO BREED HORSES.

Lexington, Ky., August 26.—J. N. Camden, owner of the Hartland Stud of theroughbreds, today bought the famous bull, Ibsen, and four heifers in Wisconsin, and announced his intention of having a herd of Jerseys second to none in the world. He does not intend, however, to quit the breeding and raising of race horses.

PERCENTAGES OF WINNING FAVORITES THIS YEAR AND LAST

So far as racing has progressed this year, it shows a distinct gain over 1908 in the feature of percentage of winning favorites, the percentage this year being slightly above normal, while last year there was a deficiency. A great gain in this respect was at Lexington, that course showing .45 this year, as compared with .30 in 1908. The two tracks over which the greatest number of days of racing occurred—oakland and Santa Anita—show marked consistency. Santa Anita's percentage being the same for the two years, while Oakland scored the slightly better percentage of .30 in 1909, against .38 in 1908. Montreal leads all tracks this year, a position held by Toronto last year, but another Canadian track—Hamilton—is at the foot of the list. Of the great New York tracks, Belmont Park shows even a greater gain than Lexington, with .51, against last year's .35. Gravesend and Sheepshead Bay remain about the same, although both show a moderate increase over last year. Empire City fell off slightly, but has a high percentage for both years. At both Latonia and Windsor results were much more in accordance with the indications of public form than was the case last year. The table here presented makes an interesting comparison of the fortunes of favorites in the two years for the same time and is worth careful consideration:

JOCKEY POWERS' SUSPENSION INDEFINITE

Saratoga, N. Y., August 26.—R. T. Wilson, Jr., who is acting as deputy for August Belmont in Jockey Club affairs during the latter's absence in Europe, amounced today that the stewards of the Jockey Club have made the suspension of Jockey Power's indefinite.

Powers indefinite.

The news of Powers' indefinite suspension created a tremendous sensation in turf circles. It practically means that the premier jockey of the country will be henceforth debarred from riding and that his license will be revoked. No reasons were assigned for the unusual action taken in Powers' case. He had been suspended merely for the meeting last Saturday while riding Fauntleroy for a foul which he did not commit. It is not believed that Powers' punishment is a result of the Fauntleroy incident or has any connection with it.

SAYS WHITNEY IS UNFAIRLY TREATED.

London, Eng., August 26,—The sporting editor of the Tatler, a weekly publication, complains in the current issue that the horses Harry Payne Whitney has been racing in England this summer, have been unfairly handicapped. The writer does not blame the officials for being severe on the best horses, as they are justified in "refusing to risk the blunder of allowing a foreigner to win a handicapping of allowing a foreigner to win a handicapping of middle-class horses such as Perseus, Sixty, Hillside, Stamina, Baby Wolf and Sea Cliff,"

Continuing, the writer points out that those of the continuing, the writer points out that those of which have not well, have not won, but which have run well, have not well, as well have not won, but whereas certain English horses were favored from the subsequent handicapping. The wholesale scratching of Mr. Whitney's horses at Stockton, the writer infers, was Mr. Whitney's form of silent protest.

THINKS BIGOT WILL MAKE GOOD.

Saratoga, N. Y., August 26,—Bigot, the four-year-old chestnut golding by George Kessler, out of Bigotry, was tried in many maiden races on the flat before he managed to scramble in a winner this season. Bigot had always shown speed in trials, but, like all morning glories, failed to run up to his work when it came to racing under colors. Horses of his caliber have raced satisfactorily over the jumps and Gwyn Tompkins is sanguine that Bigot will make good.

TROUBLE FOR HENDERSON PROMOTERS.

Henderson, Ky., August 26.—Sydney Courtin, E. H. Caufield and William Raub of the Albuquerque Fair and Racing Association, which has been holding running races here every afternoon since last Saturday, were arrested last night by Sheriff Edward Helton on the charge of promoting racing without first obtaining permission of the State Racing Commission of Kentucky. The men came to Henderson from Denver.

BESOM MAKES NEW TRACK RECORD OF 1:11 3-5 FOR SIX FURLONGS.

Field Mouse Follows Up Besom's Feat by Equaling Track Record of 1:37 3-5 for the Mile in Winning the Saranac Handicap.

Saratoga, N. Y., August 26.—August Belmont's Field Mouse give a dazzling display of speed in winning the Saranac Handican, one mile, at the Saratoga Association's course today. Two crack westera racers, Wintergreen and Crystal Maid, winner of the Kentucky Derby and Latonia Oaks, respectively, were among the ten that she defeated. The winner's speed from first to last was electrifying, the mile being run in the track-record time of 1:372, established by Delhi August 2, 1904. By common consent, Wintergreen, the runner-up, was the real hero of the race. Today's brilliant performance was the culmination of a series of recent qualifying efforts, and an attempted coup on him failed only because of the state of the series of the saddle. The Resposs three-year-farm can be saddled to the saddled of the series of the saddled of t

inish on Field Monse and succeeded in making nerlast.
Gilding Belle, one of the starters in this event,
ran the race of her career and was timed separately
in 138. Donald Macdonald also ran a remarkable
race after getting away bally. Despite the disadvantage of an extreme outside position throughout,
Chim's gelding gained fully ten lengths on the
leaders in the last three-quarters. Wise Mason,
ridden by jockey Scoville, ran a bad race. It is
said that his jockey had one foot out of the stirrup
at the outset and, unable to hold his position, was
forced to pull up. The fact remains that the halfbrother to McChesney was never at any stage a
serious contender, though backed into hot favortism.

forced to pull up. The fact remains that the half-brother to McChesney was never at any stage a serious contender, though backed into hot favoritism.

The stake feature was not the only race attended by sensationally fast running. In the opening race, a handicap, Besom ran six furlongs in 1:11 3-5, which created a new track record for the distance. Decamer was a good second and probably ran the fastest race of his career. That Shannon, a two-year-old with only SS pounds to carry, could not roiler all the way, confirms the general opinion that this season's crop of two-year-olds are below those of previous years in class.

Expansionist scored as favorite in the steeple-chase. Grandpa threatened to win up to the four-teenth jump, where a bad landing put him out of contention for first money. The Tompkins starter, Bigot, ridden by W. Allen, ran a quarter of a mile in a false break. This unlucky cross-country jockey has fallen in races so frequently hereabouts that his nerve has been destroyed. After every failure he has declared his intention to quit the hazardous occupation, but his employer has always succeeded in getting him to revise his plans.

Little King, twose predminary kans him, made his opponents look cheap. Trainer Burch has the faculty of sending his horses to the post fit, despite their unenticing warm-ups.

In Anthropaida, Mrs. L. A. Livingston uncovered a crack filly in the maiden two-year-old race, which closed the card. The beautiful daughter or Armeath II.—Missing Link, held at 7 to 10, toyed with a big band of opponents under seoville's leisurely and consident ride.

Candleberry worked today for the Futurity as follows: 232, 35, 475, 1:00, 1:132, easing up. It was considered a wonderful trial.

F. A. Forsythe left for Kentucky today for the purpose of sending twenty-eight yearlings to the soid at anction without reserve and that he has considered a wonderful trial.

F. A. Forsythe says that all of his horses will be sold at anction without reserve and that he has considered in the four controli

RACING PLANS FOR CALIFORNIA.

Saratoga, N. Y.. August 26.—It is understood that, regardless of the outcome of the test of the Walker-Otis anti-betting law, now pending in the higher courts of the state, California will be the scene of racing the coming winter as usual. If the Walker-Otis law is declared to be unconstitutional, as is contended by the attorneys representing the racing interests, racing will go on under the same conditions that have prevailed for years. If, oa the other hand, the law should be upheld in its essential particulars, it is understood that those in control of racing on the coast will resort to the methods under which racing has been successfully conducted in New York state this season. The the Hart-Agnew law contain identical duplication of the Hart-Agnew law contains state last year and the decisions which permit oral betting in New York state will undoubtedly apply to California as well.

It is said that in the event of being put to the necessity of carrying on the betting put to the necessity of carrying on the betting the new order of things. Their plans, in the event of the adoption of the oral system, include the concentration of their combined efforts at one track, it is understood. The plan as outlined here will be to first open at Oakland and continue at that track until the wet season sets in in December, then transfer operations to Santa Oakland. It is figured that with only one track in operation, there will be such concentration of patronage that racing may be profitably conducted even with betting greatly curtailed.

Tom Shaw is reputed to be \$50,000 loser on the Saratoga meeting.

Fred Tucker, a Nashville jockey, was fatally injured by a fall from Phil Arnet at the Great Knell Fair at Carthage, Mo., this week.

Woodford Clay this season mated his remarkably successful broodmare, Bonnie Blue II., the dam of Blues, Blue Girl and Blue Ribbon, to John E. Madden's Ogden.

den's Ogden.

James Boden is one of the few turfmen who remained in New York instead of joining the rank and file of horsemen racing at Saratoga. The Boden barn at the Gravesend course houses but one horse, the cross-country performer, Sparkles, a son of Star Ruby, out of Prim II., the dam of Proper.

Trainer Harry Rites has arranged for stabling accommodations at Gravesend for Tim Pippin has recovered from the effects of a spread foot, sustained on the opening day at Saratoga, and will be in condition for racing with the opening at Sheepshead Bay.

Winner—Ch. g, by The Friar—Hanrose (trained by C. E. Patterson).

Went to post at 5:21. At post 2 minutes. Start good. Won driving; second and third the same. Carew, under a patient ride, followed the leader under slight restraint until making the turn into the homestretch, then had enough speed in reserve after disposing of Black Hawk to stall off Harry Richeson. The latter finished with a rush and would have won in another stride. Vesme, outrun for the first six furlougs, also finished with a rush. Black Hawk showed much the most early speed, but quit after going a mile. Arrow Switt closed a big gap in the stretch. Floreal ran well to the stretch and tired. Doubt quit badly. The winner was entered for \$400; no bid.

Scratched—84270³Beau Brummel, 105; 84254 Boema, 102; 84090 Dunvegan, 99; (84254)Ludhiana, 90.

Winner—Br. g, by Ben Brush—Noonday (trained by N. Byer).

Went to post at 2:34. At post 3 minutes. Start good. Won handily; second and third driving. Besom, from a rearward start, was rushed through on the inside and, establishing a quick lead, held sway with dazzling speed throughout and was much the best. Dreamer, from a flying start, was outpaced for half of the journey, but closed up with a fast, but unavailing, stretch sprint and is in rare form. Fort Johnson ran in persistent contention throughout and shows steady improvement. Lady Irma, shuffled back at the start and badly outpaced early, seemed to be sulking, but finished a close up fourth with a belated stretch rush. Royal Captive ran in nearest and strenuous early pursuit, but tired badly midway of the stretch. Shannon was decisively outpaced and outstayed from first to last.

Winner—B. f, by Hastings—Filtermouse (trained by J. Whalen).

Yent to post at 4:12. At post 4 minutes. Start straggling. Won driving; second and third the same.

Field Mouse, alertly and vigorously ridden, outbroke and outpaced her opposition, but just lasted long

enough and was lucky. Wintergreen ran in nearest and persistent pursuit at a terrific pace and was wearing the leader down fast at the end and was best. Gliding Belle ran forwardly and persistently throughout and is extra good. Donald Macdonald, away very badly, closed an immense gap and finished with a great rush in a cracking effort, Crystal Maid was always outpaced, but ran a fine race under her heavy weight. Miss Kearney, from a slow start, made up ground steadily. Wise Mason, on the inside in close quarters and repeatedly interfered with, tired and ran a poor race comparatively. Arondack, hopelessly outpaced all the way, seemed stale and sore. Choirmaster of Chesterbrook developed unexpected speed for six furlongs, but tired.

Went to post at 4:44. At post 2 minutes. Start fair. Won driving; second and third the same. High Range drew out quickly and made the running with no one to press him, but tired and just lasted the journey out and was lucky. Hans ran in nearest pursuit throughout, was under a pull for half of the journey and just failed to get up in a final, but much belated, rush and was best. Belleview trailed in halling distance early and closed up moderately in the last half, but was never dangerous and ran a bad race. Albert Star trailed a bad last to the stretch and, finishing with a rush, just failed for third place. Hurlock ran in prominent contention for the first mile, but failed to stay. Went to post at 5:13. At post 3 minutes. Start fair. Won easily; second and third driving. Anthropaida, after being reserved in leisurely pursuit to the stretch, drew out and won off pulling up. Marizot, from an inside bad start, was pocketed and pulling up early, but got up for second place in a sensational closing sprint. Flying Footsteps outbroke the others and led by a wide early gap, but tired in the stretch. Dominica, after nearest and stremous pursuit, tired badly at the end. Odd Rose was well up from the start and gaining in the closing drive. Queen's Song ran prominently for five furlongs and quit badly. Six slowed brief speed.

DELIVER THE GOODS.

ONE HORSE.

Aunt Jule

My last and only GUARANTEED HORSE advised. NOTICE.

This horse was filed with Daily Racing Form at 1 o'clock and this paper will verify the fact that it was the only horse advised. Such information speaks for itself.

A few facts concerning this herse will prove interesting:

Same won by five lengths. Eighteen horses were in the race. Four hundred and fifty-two people received

Same.
A conservative estimate proves today that over a Half Million Dollars

was taken from the poolrooms, handbooks and from the race track by the "Foreman" followers on this horse. The reason I am successful is because I deal with successful people only, have my followers to rely upon, and can afford to pay the price. When you pay as high for information as I do, you can expect the best. That's why I hold an army of clients. when you can expect the best. That's way of clients.

I NOW DRAW YOUR ATTENTION TO

SATURDAY

I have the choicest getaway trick of the present

I Have Another AS GOOD AS Aunt Jule.

Two work-outs, one Sunday and the other Tuesday (in my presence), a mile pulled up in 1:41½, proved the fitness. This horse will

WIN IN A WALK,

the same as AUNT JULE. I could not tell you more if I owned the horse. When you bet your money on this one, you do so knowing the word comes direct from the barn, and the "Controllers" and my own money are going to bet theirs in chunks all over the country, away from the track, which assures us a good price.

WE'LL GET 20-1 AND MAY GET 30-1

The people behind this deal are past masters in the art of putting over these "Occasional Good Things," and in all the years I have personally known them, I have never seen them make one single mistake on the right day.

I have never been more sure of anything winning since I have been in business, and when you are able to send out one horse like AUNT JULE. and have it win at 20-1, it proves the quality of my connections, Don't let the long price scare you, I say again.

DOLLARS

are the terms for this, with the usual guarantee that the horse must win at 8-1 or better, or the subscription is continued. Name of horse will be sent out in plain English, and signed "NAMERO." The last chance of the present meeting to even any losses you've sustained. It's a life-time opportunity.

SPECIAL NOTICE—Remit by telegraph only, or in an express envelope through any express company in your city, cost of which is twenty-five cents. DO NOT SUBSCRIBE BY MAIL. Don't wait until the last moment to subscribe, do it right now and avoid chances of being shut out.
